RESEARCH INTERESTS: morphology, syntax, semantics, Austronesian (Formosan), reclamation

EDUCATION	<i>Harvard University</i> 2020–present. PhD in Linguistics. Dissertation: The voice system in Seediq: morphosyntax and interfaces. [Advisors: Jonathan Bobaljik, Lisa Travis, Gennaro Chierchia] <i>Academia Sinica, Taiwan</i> 2020–2021. Visiting Scholar, Institute of Linguistics. <i>University of California, Berkeley</i> 2019. BA with honors in Linguistics. Thesis: Plural classifier <i>xie</i> and grammatical number in Chinese. [Advisors: Amy Rose Deal, Peter Jenks]
PUBLICATIONS	to appear. The imperative paradigm: A decomposition of voice morphology across Formosan languages. <i>Proceedings of AFLA 32</i>. 2025. Movement and crossover asymmetries in the Seediq pivot. <i>Proceedings of NELS 55</i>. 2023. Syntactic vs. morphological verbal concord across Austronesian languages (with Tamisha L. Tan and Giovanni Roversi). <i>Proceedings of TripleAFLA</i>. 2019. Plural classifier <i>xie</i> and grammatical number in Chinese. <i>Berkeley Papers in Formal Linguistics 2</i>. 2018. Non-local allomorphy and verbal morphology in Kannada. <i>Snippets: Special issue on non-local contextual allomorphy</i> 34:17-19.
REFEREED PRESENTATIONS	2026. There's two! The inner and outer phases of the argument structure domain. CLS 62. University of Chicago. [poster] 2026. Complementation and clause size in an Austronesian voice language. LSA Annual Meeting 2026. New Orleans, LA. [talk] 2025. The imperative paradigm: A decomposition of voice morphology across Formosan languages. AFLA 32. Atma Jaya Catholic University of Indonesia. [talk] 2024. Movement and crossover asymmetries in the Seediq pivot. NELS 55. Yale University. [poster] 2024. A unified account of multiple homophony of <i>m-</i> in Seediq. ICAL 16. De La Salle University / University of the Philippines. [talk] 2024. The distribution of AV vs. PV in Formosan adverbial verbs. NELS 54. MIT. [talk] (*cancelled due to personal circumstances) 2023. Language shift and morphosyntactic change in Seediq. NWAV 51. Queens College CUNY. [poster]

	2023. Voice as downwards Agree: adverbial and serial verbs in Formosan languages. WCCFL 41. UC Santa Cruz. [poster] 2022. Syntactic vs. morphological verbal concord across Austronesian (with Tamisha L. Tan and Giovanni Roversi). TripleAFLA. University of Manchester. [talk]
INVITED TALKS	upcoming. Infixation and reduplication in Seediq. <i>MorphBeer</i>. NYU. 2026. The decomposition of Philippine-type voice: Implications for movement and phasehood. <i>Syntax & Semantics Circle</i>. UC Berkeley. 2025. Verb classes and affix ordering in Seediq. <i>Elsewhere Morphology Reading Group</i>. MIT. 2025. Morphological decomposition in Austronesian voice: Evidence for intermediary movement. <i>Syntax Square</i>. MIT. 2024. Affix ordering in Seediq and other Formosan languages. <i>Word Structure Research Group</i>. University of Quebec in Montreal. (virtual) 2024. Language contact and multilingualism as the norm. Guest lecture (<i>Ling 238: Sociolinguistics</i>). Wellesley College. 2023. What is natural? Sound change and phonological features. Guest lecture (<i>LING 105: Sounds of Language</i>). Harvard University. 2022. Austronesian voice in Formosan adverbial verbs. <i>Workshop on Restructuring in Austronesian</i>. University of Western Ontario. (virtual)
AWARDS & GRANTS	2025. Graduate Society Merit Term-Time Research Fellowship (\$20500). Harvard University. 2024. Bok Center Teaching Certificate. Harvard University. 2023. GSAS Graduate Society Summer Predissertation Fellowship (\$3000). Harvard University. 2023. LSA Summer Institute Fellowship (\$2600). UMass Amherst. 2022. Fairbank Center for Chinese Studies Taiwan Summer Research Grant (\$3200). Harvard University. 2022. GSC Summer Research Grant (\$1000). Harvard University. 2019. High Distinction in General Scholarship. UC Berkeley. 2018. Summer Undergraduate Research Fellowship (\$3000). UC Berkeley.
SERVICE	2023–2024. Graduate Student Representative. Harvard University. 2021–2023. Organizer. Linguistics Colloquium. Harvard University. 2019. Organizer. BLS: workshop on countability distinctions. UC Berkeley. 2016–2019. Research Assistant. Amahuaca Documentation Project (PI: Emily Clem). UC Berkeley.
TEACHING	<i>Harvard University</i> LING 101 The Science of Language [TA: F’22] LING 102 Sentence Structure [TA: Sp’24]

LING 103 Language and Society [TA: Sp'23, F'23]
LING 105 Sounds of Language [TA: Sp'23]
LING 97r/98a Language Reclamation [main instructor: F'23, Sp'24]
GENED 1056 Human Nature [TA: F'24]
GENED 1091 Classical Chinese Ethical and Political Theory [TA: F'24]

SKILLS

Languages

English, Mandarin (fluent)
Cantonese, Hokkien, Teochew, Malay (heritage)
Spanish (basic)

Fieldwork

Seediq (in-situ)
Bemba, Lunyole (field methods course)

Language Analysis and Documentation

ELAN, FLEEx, OpenSesame, Praat
